ADMINISTRATION
WASHINGTON, D. C. 20506

	Type of Issuance CSA INSTRUCTION	Number 6000-2c
	Subject INDEX AND APPLICABILITY OF CSA REGULATIONS (INSTRUCTIONS)	Date January 23, 1979
	Supersedes CSA Instruction 6000-2b	Office of Primary Responsibility OCA
		Distribution FR, 10, 15, 16-1 35-4, 45-1

EFFECTIVE DATE: February 1, 1979

APPLICABILITY: This Instruction applies to all grantees financially assisted under Titles II, III-B and VII of the Economic Opportunity Act of 1964, as amended, if such assistance is administered by the Community Services Administration

1. POLICY

The General Conditions of all CSA-administered grants made under the authorities of Titles II, III-B and VII of the Economic Opportunity Act provide that program funds expended under the grant are subject to CSA directives. This Instruction shows which directives are in effect for grants made under specific authorities in the EOA and describes the procedure by which the list will be kept current.

2. BACKGROUND

CSA's present issuance system is made up of the following types of issuances which set forth the policy and procedures to be followed by a grantee or offer advice as to how a grantee may better accomplish its objectives: Instruction, Notices, Handbooks, and Guidances. (These regulations may be referred to as "OEO" or "CSA" Instructions or Notices; in either case these regulations are deemed to be the policy statements of the Community Services Administration).

a. Current Issuance System

1. Instructions: These issuances set forth policies and procedures and are binding on the grantees to which they are applicable as shown in Appendix B to this Instruction.
2. Notices: These issuances announce matters of temporary concern or one time occurrence. They also announce interim policy on which immediate action is required, in which case they will be later replaced by more detailed Instructions. These Notices are binding on the grantees to which they apply as shown in Appendix B.

3. Guidances: These issuances are not binding on the grantee but are designed to offer suggestions as to how particular functions may be performed better. Since these issuances are not directives they are not included in the Appendix to this Instruction but are issued periodically on a separate listing.
4. Handbooks: These issuances include publications sometimes titled "pamphlets or manuals" and collect information relating to one subject. The information compiled in a handbook is drawn from Instructions, Notices and Guidances and arranged for programmatic convenience in one document.

b. Daily Publication

On September 28, 1978 CSA began publishing all proposed rules in the FEDERAL REGISTER exclusively (Monday and Thursday of each week). CSA is requiring that grantees have access to daily publications of this document for the duration of their grants which are funded by CSA. If grantees do not have access to the FEDERAL REGISTER either through a direct subscription or a circulating copy, they must take immediate steps to purchase a subscription.

3. DETERMINING APPLICABILITY

Appendix B to this Instruction is a chart which lists all CSA directives which are still in effect as of this Instruction. The chart indicates which of seven general categories of grants each directive applies. The seven categories correspond to sections of the EOA under which grants are authorized. An "X" in any column of the chart indicates that the directive applies to that grant category. Grants under Section 221/222 (a) apply only to Community Action Agencies (CAAs), and not to Limited Purpose Agencies (LPAs) funded under those sections. This is indicated by "CAA" in lieu of "X" in the "221/222(a)" column. (Any directive not included in this list has been superseded and is no longer binding on the grantee.)

Instructions and Notices contain an applicability section which indicates which types of grants are covered by the issuance. Normally, this applicability is expressed in terms of specific statutory authority under which the grant is made. However, the applicability of CSA regulations shown in Appendix B supersedes applicability language stated explicitly on the face of each directive or, by implication, in the body of the directive's text which follows. (For example, by its terms OEO Instruction 6710-1, "Applying for a CAP Grant" applies only to CAAs. Since its applicability has been expanded to apply to grantees other than CAAs, the term "CAA" wherever referred to as a grantee or a prospective grantee should be understood to include grantees other than CAAs unless the contrary is required by context.)

Although a particular issuance may not be applicable to a general category of grants, such as to grants funded under Section 232, the specific conditions of an individual grant in that category may make such an issuance applicable.

4. ACTION

Appendix A to this Instruction lists additions, deletions, and correction of regulations since issuance of the last Index (March 28, 1978).

Appendix B to this Instruction is a listing of all current policy statements applicable to grantees funded by CSA.

Appendix C to this Instruction is a cross-index of CSA Instructions and CFR parts relating to grantees. The cross-index will be easier for grantees to locate Instructions in the CFR that have been codified, as well as identify the ones that have not been codified.

Check all sets of issuances which you may have to determine whether they are accurate. Missing items in these sets may be ordered from:

CSA Publications and Distribution Center
49 L Street, S.E.
Washington, D.C. 20003

PLEASE DO NOT ORDER COMPLETE SETS SINCE THEY ARE NOT AVAILABLE. However, individual items are in stock.

Grantees should cross-check all issuances in their possession and take the following actions:

- A. Remove all issuances which are not listed on the chart, or which are not applicable to them.
- B. On those issuances listed on the chart, make pen-and-ink changes in the applicability sections, as necessary, to conform to the applicability status shown on the chart (e.g., adding and/or deleting sections or titles which do not/do appear the original issuance.)

5. DISTRIBUTION TO DELEGATE AGENCIES

Each grantees should assure that at least one copy of all Instructions has been forwarded to the Director of each of its delegate agencies. In addition, the grantee should establish a distribution system which will assure that each recipient (including delegate agencies) will also be furnished new issuances.

Director

c. Correction

We would like to call your attention to an item listed in the March 28, 1978 index:

The reference and item dealing with OEO Instruction 6907-01, Restrictions on Political Activities should have read 45 CFR 1069.6-2(a)(5). This regulation is revoked because it has been considered legally questionable since 1973 on the basis of Local 2677 v Phillips 358 F. SUPP. 60(1973), and has not been recognized or enforced as a CSA regulation since then.
